

Free Legal Health Check

FREE EMPLOYMENT LAW CONSULTATION/HEALTH CHECK

Recently, there have been many changes in the field of employment law. The changes include **Statutory Disciplinary and Grievance Procedure**, additional areas of **Discrimination, Paternity Rights** and, imminently, **Ageism**.

These and other changes have left many employers with out-of-date and, often, unlawful employee procedures and documentation.

Through this service, we provide two options, namely:-

1. a **free** outline review of the legal compliance of your contracts of employment, grievance and disciplinary procedures and other documentation with the major legislation and regulations in place;
2. a **free** consultation relating to any legal issues that you wish to discuss regarding employment matters.

This service is intended for use by UK companies and overseas companies with UK employees.

If you are interested in either service, please complete the details section below and either hand it into reception, email your response to carolinew@sghlaw.com or call Caroline on 020 7544 5625.
